

## **Navdeep Nijhawan MD, FRCSC, DABO**

Dr. Nijhawan graduated from the University of Toronto Medical School and completed his residency in Ophthalmology there. He received the American Society of Ophthalmic Plastic and Reconstructive Surgery Fellowship at the University of Toronto which he completed in 2003.

Dr. Nijhawan is a speaker and educator on topics related to ophthalmic plastic and reconstructive surgery and is actively involved in teaching medical students, residents and fellows. He is an assistant professor of Ophthalmology at the University of Toronto and McMaster University and is on staff at St. Michael's Hospital in Toronto and Lakeridge Health in Oshawa. In 2012 he was awarded the University of Toronto's Department of Ophthalmology Golden Suture Award for resident surgical teaching.

In 2011 he was one of the co-authors who were awarded the American Society of Ophthalmic Plastic and Reconstructive Surgery Research Award for his paper on Lymphatic Drainage Patterns of the Human Eyelid.

Dr. Nijhawan is also actively involved in promoting more effective and efficient eye care within the province and is the past chair of the Eye Physician and Surgeons of Ontario and a member of the Eye Health Council of Ontario.
